

Happy Harmony Day from MSOs – Transcript

[Start of transcript]

Julian Jeyakumar

I think social cohesion is that the community all live together, happily, in harmony.

Victoria Dias

We believe in each other. We believe that we are different. And value each other for our merits.

Gemechu Dembali

Make sure nobody's left out, particularly in terms of access and equity.

Tanya Kalan

Appreciate your neighbour, you appreciate other people in the community and you interact with them.

Cuc Lam

Empathy and sympathy, understanding where people are coming from.
